steelseries 5H v2

steelseries
professional gaming gear

Product description

SteelSeries 5H v2 - trust your senses. A truly remarkable professional gaming headset. Every detail and aspect has been designed and developed in cooperation with the best gamers in the world. The sound quality is awe-inspiring, allowing gamers to rely fully on their senses. The headset features a pull-out microphone attached to the right cup; the microphone metal goose neck is covered in high quality transparent plastic to ensure durability. The headset can be disassembled into three separate parts to ensure safe and easy transportation.

Special features

* Amazing sound quality
* Optimized for gaming
* Pull-out microphone
* Detachable headband
